

TREASURE HUNT

Personality is the most powerful art form in today's world. It helps us understand our own lives, lives of those around us and how our society operates. It gives us perspective, a new way of feeling and thinking. Let your creations speak aloud at AAKASH'18! Let spread your magic.

This event is all about the ability of the candidate to withstand on ground in the tough situations which will be created in the event. The first few candidates will be short listed on the basis of their form filling and personal interviews. Next, the selected candidates will perform the task to win this event.
