

# WOMEN'S DAY CELEBRATION

A one-day program was organized by the **Women's Protection Cell of Vignan Institute of Technology and Management**, Berhampur on 07-03-2026 on the occasion of **International Women's Day**, under the theme "**Women, Wellbeing & A Disease-Free 2030: From Global Goals to Local Action.**"

The program aimed to create awareness about women's health, empowerment, and the importance of achieving a disease-free society by 2030. The event witnessed enthusiastic participation from students and faculty members.

The session featured an insightful talk by **Mr. Loknath Mishra**, who highlighted key aspects of women's wellbeing, empowerment, and the goal of End of HIV by 2030. His session was informative and encouraged students to think critically about health and social responsibility.

To promote active student involvement, various competitions such as **debate, poster presentation, rangoli, and dance** were organized. Students participated with great enthusiasm, and showcased their creativity, talent, and awareness regarding women's empowerment and related social issues.

The event also included the felicitation of **chief guest, participants and winners**, appreciating their efforts and contributions.
