

## **1<sup>st</sup> International Conference on Sustainable Oriented Learning for a Viable Earth: An Interdisciplinary Perspective**

The SOLVE 2026 Conference, organised by our institute, Vignan Institute of Technology and Management, Berhampur, was successfully conducted with great enthusiasm and academic excellence. The conference served as a vibrant platform for researchers, academicians, industry professionals, and students to share their knowledge, exchange ideas, and discuss recent advancements in their respective fields.

The event witnessed active participation from various institutions across the country. A large number of research papers were submitted, out of which selected high-quality papers were presented during the technical sessions. The conference covered diverse themes, encouraging interdisciplinary discussions and innovative thinking.

The inaugural session was graced by Prof Dr Amiya Kumar Rath, Honourable Vice Chancellor, BPUT Rourkela, along with distinguished dignitaries, keynote speakers, and eminent scholars. The keynote lectures provided valuable perspectives on emerging trends and future research directions focusing on the theme of the conference, i.e., sustainability.

The technical sessions were conducted smoothly, with presenters showcasing their work and engaging in meaningful discussions with session chairs and participants. The interaction fostered a collaborative environment and enriched the overall learning experience.

The organising team ensured seamless coordination of all activities, including abstract review, scheduling, participant management, and logistics. The support from faculty members, student volunteers, and administrative staff played a crucial role in the grand success of the conference.

Participants expressed positive feedback regarding the quality of sessions, organisation, and hospitality. The conference not only strengthened academic collaboration but also enhanced the reputation of the institute as a hub for research and innovation.

In conclusion, SOLVE 2026 was a remarkable success, achieving its objectives of knowledge dissemination, networking, and promoting research excellence. The organisers extend their sincere gratitude to all participants, speakers, reviewers, and supporters who contributed to making this event memorable.
