Event Report

ADOLESCENT HEALTH CAMP ORGANIZED AT VITAM

Date: 14 April 2026

Venue: Vignan Institute of Technology and Management (VITAM), Brahmapur

An Adolescent Health Camp was successfully organized at VITAM in collaboration with the Rotary

Club of Berhampur Creative. The programme was conducted with the objective of creating awareness among students regarding adolescent health, personal hygiene, sanitation, and preventive healthcare practices. The event was graced by Chairman Prof. Dr. K. Govinda Rajulu, Secretary Prof. Dr. M.B.N.V. Prasad, Joint Secretary Prof. P. C. Dash, Treasurer Dr. L. Kameshwar Rao, and Principal Prof. Dr. G. Eswara Rao. Representatives of the Rotary Club of Berhampur Creative, including President Mr. Subhash Patro and Secretary Mr. Jawahar Palo, attended the programme along with other distinguished members. The highlight of the camp was the awareness and counselling session conducted by renowned gynaecologist Dr. Indira Palo. She delivered an informative presentation on adolescent health, menstrual hygiene, nutrition, sanitation, and overall well-being. The session encouraged students to adopt healthy habits and seek timely medical guidance whenever required. Following the awareness programme, individual consultation sessions were conducted, during which students were able to discuss their health-related concerns in confidence. Dr. Palo provided valuable medical advice and guidance, making the programme highly interactive and beneficial. A felicitation ceremony was organized to express gratitude to Dr. Indira Palo for her dedicated service and contribution towards student health awareness. The programme concluded with a vote of thanks and appreciation to all participants and organizers. The camp served as an important initiative in promoting health awareness among students and reflected VITAM's continued commitment towards student welfare, holistic development, and community engagement.
