

Sharing Joy and Smiles: A Day at Navajeevan Seva Ashram, Kanisi

Date: 6 September 2026

Venue: Navajeevan Seva Ashram, Kanisi, Berhampur, Odisha

As part of its commitment to social responsibility and community engagement, **ASHRA Club (Department of Civil and Mechanical Engineering), Vignan Institute of Technology and Management (VITAM), Berhampur**, organised a meaningful outreach programme at **Navajeevan Seva Ashram, Kanisi**, on 6 September 2026.

The programme was organised with the objective of spending quality time with the children of the orphanage and creating an atmosphere of **joy, creativity, participation, and togetherness**.

The event began with a **drawing competition**, in which the children enthusiastically participated and expressed their creativity through colours and artwork. The activity provided them with an opportunity to showcase their imagination while enjoying a fun and engaging experience.

Following the drawing competition, the children of the Ashram presented a **beautiful dance performance**, which added to the joy and vibrancy of the occasion.

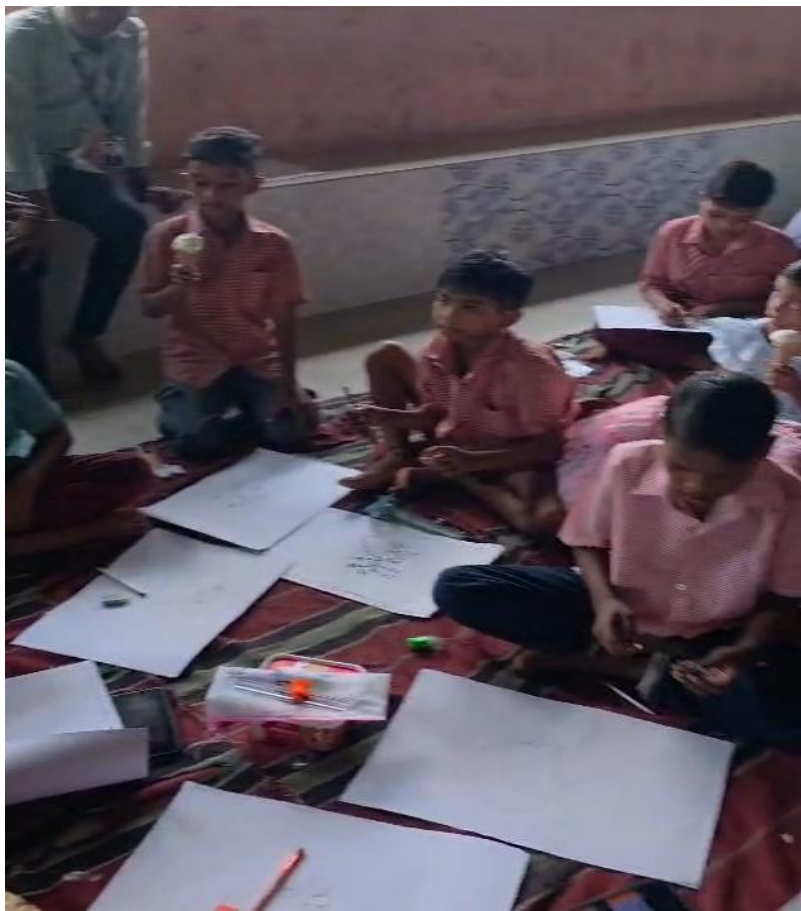

The interactions also provided an opportunity for the student volunteers to connect with the children and share moments of happiness. The programme concluded with **lunch shared together with the children**, making the occasion even warmer and more memorable.

The event was not merely an outreach activity but an opportunity to **share happiness, build meaningful connections, and contribute to the well-being of the community**. The enthusiastic participation of the children and the volunteers made the programme a memorable experience for everyone involved.

VITAM expresses its sincere gratitude to **Navajeevan Seva Ashram, Kanisi**, for providing the opportunity to organise this initiative and for their cooperation in making the event a success.

Thank You
